\$44,000,000

Sole Lead Arranger and Administrative Agent

Add-on Acquisition

April 2009

Madison Capital's commitment to close deals on time, as promised, continues in all economic cycles. We offer cash flow based leveraged capital products to a wide range of private equity sponsors, most of which manage funds ranging from \$50 million to \$2 billion. Our products and services support the acquisition, recapitalization and growth efforts of private equity firms focused on middle market companies.
